INTERVIEW / *SCREENING* INFORMATION

SCREENING/INTERVIEW

Before we can start the instrument assignments, we need to interview and screen each student new to the Music Program. This means that the new student and a parent come in for an appointment to meet the teacher and go over some details. Some of you may already know what you would LIKE to play, but there is a process we must go through to determine which instrument is RIGHT FOR YOU AND YOUR STUDENT!

During the screening, we will check physical traits (teeth, fingers, arm lengths, etc.), musical background, grades, and such. Final determination of instrument assignments will take place based on the information gathered during the screening appointments.

PLEASE BRING YOUR STUDENT'S JUNE 2017 REPORT CARD TO THE SCREENING!

Please come directly to the Anacapa Music Room (facing the big parking lot across from KFC) during your assigned time-slot as is convenient for your schedule on that day. Please allow ten minutes for each appointment, and a few minutes of wait time for those ahead in line. Students will be seen on a first-come, first-served basis. No specific appointment is needed, just come by when timing on your assigned day is good for you.

To ease the final process, we will be using the following plan to screen the students:

Monday – Thursday Afternoons from 3:15 p.m. to 4:30 p.m.

Friday Afternoons from 1:45 p.m. to 3:30 p.m.
