

Anacapa Middle School Music Department

Gregg Hutchison, Music Director • Gregg.Hutchison@venturausd.org

It is time again to present you with the list of String Private Music Instructors. Here are some of the basic guidelines we follow:

Private lessons are given by a Private Professional Instructor who:

- 1) Is a working professional expert on the instrument your child plays.
- 2) Offers weekly music lessons, usually 30-45-60 minutes in length.
- 3) Gives your child the desirable advantage of increased "one-on-one" feedback, not available in the classroom.
- 4) Provides students with additional opportunities to participate in local recitals and contests
- 5) Is able to fix "little" (and not so little) playing problems your child may encounter while working on the instrument.
- 6) Challenges your child with more difficult music and activities not generally available at school.
- 7) Helps your child become a better musician and player. Consequently, this extra help makes playing the musical instrument even more fun!!! (In addition, it makes Anacapa's Music program continue to grow).

Listed below are names (and instruments taught) of Private Music Teachers who have successfully proven themselves with our students. If you do not see a name for an expert on you child's instrument, please contact me. Unless noted, the Instructor comes to the Ventura area.
